

Hi Everyone,
With this chilly weather, the best sport to play has to be Squash! Eliminations is an exciting time around the club with lots of teams up practicing and training. Great to see! Good luck to all our teams competing at the end of the month. We have 7 teams competing around the Bay which is fantastic for Taupo Squash.

Tui Winter Business House starts this week - we are looking forward to more great social squash. We are already looking forward to another fun filled Prizegiving night on the 26th August. (Save the Date!) Kit has been working hard putting the Tui Multisport Challenge together. This is coming up next month. 5 people per team over a variety of Sport Challenges.

Keep an eye out for entry details.
