

# JUNE NEWSLETTER 2011

Hi Everyone,

May was a big month for us, hosting the BOP Open. We have definitely learnt a lot and look forward to the next tournament which is the B Grade & Below in August. We are so grateful to all the members who helped out on the board, in the bar and brought a plate for the afternoon tea. The extra help that we had is what made the weekend such a success.

The Tui Autumn Business House round is now finished—Prizegiving was a GREAT night, it is so awesome to see all the costumes and the effort that people go to! I have posted some pictures on Facebook and the website. We are already looking forward to the next one! Also coming up is our Fun Tournament—see below for more details. The Pro Shop is up and running for those of you who haven't been in for a browse—some great specials and if we don't have what you want, then just ask and we may be able to get it.

## Tui Business House

It was awesome that the four teams involved with the Crossover Games got into the spirit of the competition. Congratulations to Team Daikin & The Mole & Chicken. It was a great way to kick off Prizegiving Night.
