

# MAY NEW SLEETER 2011

Kia Ora,

We would like to thank everyone for their support over the last month. We have really enjoyed meeting many of you and getting to know you better. We have had a very busy month and May is looking just as exciting with some new Junior Programmes

### Starting and the BOP Open.

We update the website every Sunday—the website has a wide range of information about events coming up in the club. We also have been sending out regular emails to members. If you are not receiving these emails, then please let us know so that we can put you on the mailing list.

Along with the Taupo Squash Club Board, we have been looking at putting a fire into the Hyundai Wings & Wheels Watering Hole. The Board have also been looking at options for sorting the condensation problem.

Thank you to club members who filled out and returned the Questionnaires— we are currently collating results and will let you know them in the next new sletter or on the website.

**Tui Business House**  
We are halfway through the Autumn Round with some excellent games played so far. The **HUGE** upset (quoted by Glen Lyons) was Joe Wi beating Pete McCullough in a thrilling game. Don't forget Prizegiving 'S' Party on Friday the 3rd June. Remember we will be playing the Crossover games starting at 6pm with the Prizegiving starting at 8pm. It would be great to see you all there!

**NEELY LOG CHALLENGE**  
We have managed to secure a Neely Log Challenge in August. At the moment Putaruru hold the Log. We need to take the top 2 players from each grade. We are organising a van to take the team over. So get training! We will be approaching people in the next couple of months.

**Inter Club**  
We have 6 Teams in this competition and so far they are going really well. It is great watching them play at home. Check the website each week to find out which teams are at home. Eliminations are coming up at the End of July
