

# September 2011

Wow the months seem to be flying by so quickly. We can't believe it has nearly been 6 months since we have been managing the club! We have a lot on in September with Club Champs, the next round of Tui Business House, Fun Junior Tournament, Neeley Log Challenge etc. It was great to see the photo and article in the Taupo Times, it is awesome to see our members achieving great things and being acknowledged for it! The Doubles Leaderboard now has some names so get challenging, if you would like to be included on the Doubles Leaderboard, then give your team name to us. We are also starting a Junior Leaderboard for 16 years and under in the next couple of weeks. At a recent sector meeting with other BOP Squash Clubs, it was mentioned that they want to start a Doubles Inter Club Competition, so we will keep you posted about this as we know we have some keen doubles players in the club. Remember to check the website each week for updates about happenings in the club.

Tickets - \$35.00 includes first drink free, dinner & canapés during cocktail hour.

## LADIES NIGHT

We are starting Ladies Night on Monday 17th October (after Spring Inter Club finishes). This is for ladies of any level, both members and non-members. We are trying to encourage new players to have a go and get into squash. (The healthiest sport in the world). If you know of any ladies who want to try a new sport, or get back into squash - then please pass this on and get them involved! The programme will run for 6 weeks initially until we see how it is going. No charge. We will also be running a biggest loser competition for those of you who want the extra incentive of winning money to help you get in shape for summer.

With the days getting longer and Summer coming, we are looking at running a Summer League competition on Friday nights. For those who are keen, you will be placed in a league with other players of the same level and you will need to play them within a certain time. That means if you have something on one Friday, you can catch up the games on another Friday. We are looking at purchasing a BBQ for the deck and will be running a free BBQ for those who are playing. More information will be coming out soon so keep an eye out. Club nights are supposed to finish on the 30th September but due to quite a few functions recently, we will keep them going until October and then start the Summer League in November. We will also run a Doubles Summer League if there is enough interest.
